## General Information

---

**Access Plan:** Our full festival Access Plan is available from our [website](#).

**Access Volunteers:** There will be designated Access Volunteers at all sites and they will be clearly identified. Look for the Logo:

### **Designate Viewing Areas / Seating:**

Not all these events are seated or have a designated Disabled Viewing Area, and in some instances, audiences will move around, so suitable footwear is essential.

Disabled Viewing Areas will be for audience members who need to remain seated for the performance duration. These will be clearly identified and will have Access Volunteers on hand for your support. Look for the Logo:

Areas will have limited capacity for your safety, provided on a first-come-first-served basis. We operate a '1 plus 1' policy for audience members using this area to ensure as many people as possible who require seating can access it. A limited number of seats will be provided, but you are encouraged to bring your own where possible.

**Chilled Performances:**

All of the activities are chilled performances. A chilled performance takes a more casual approach to noise and movement in the performance space, but the performance itself is unchanged. We always have friendly staff and volunteers on hand if you have any questions.

**Visual Story:**

We have a Visual Story available for the festival from our [website](#).
